Butterdome-Health Sciences area

sudden leap

evidence tampering

runaway rhetoric

a darker calculus

magic hour

the only witnesses

Exit

University of Alberta campus

all the old haunts

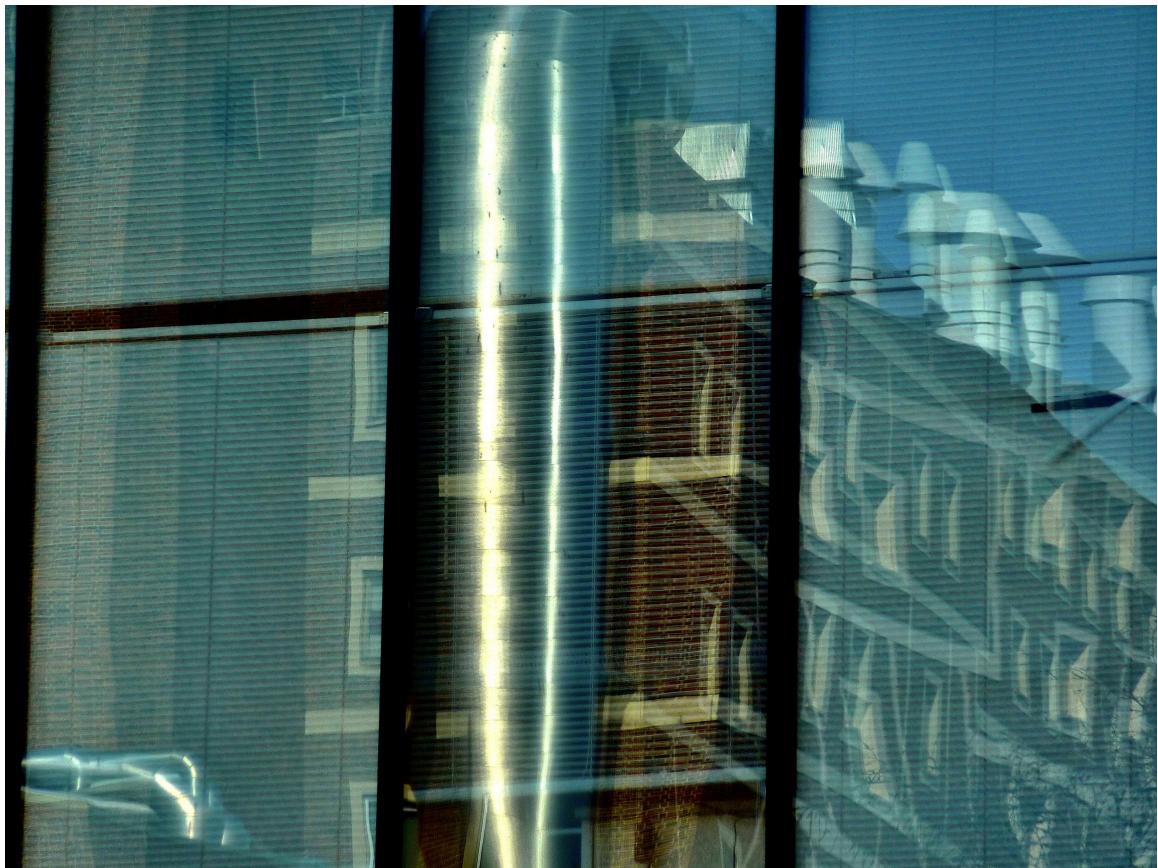

here, there are clues to unravel

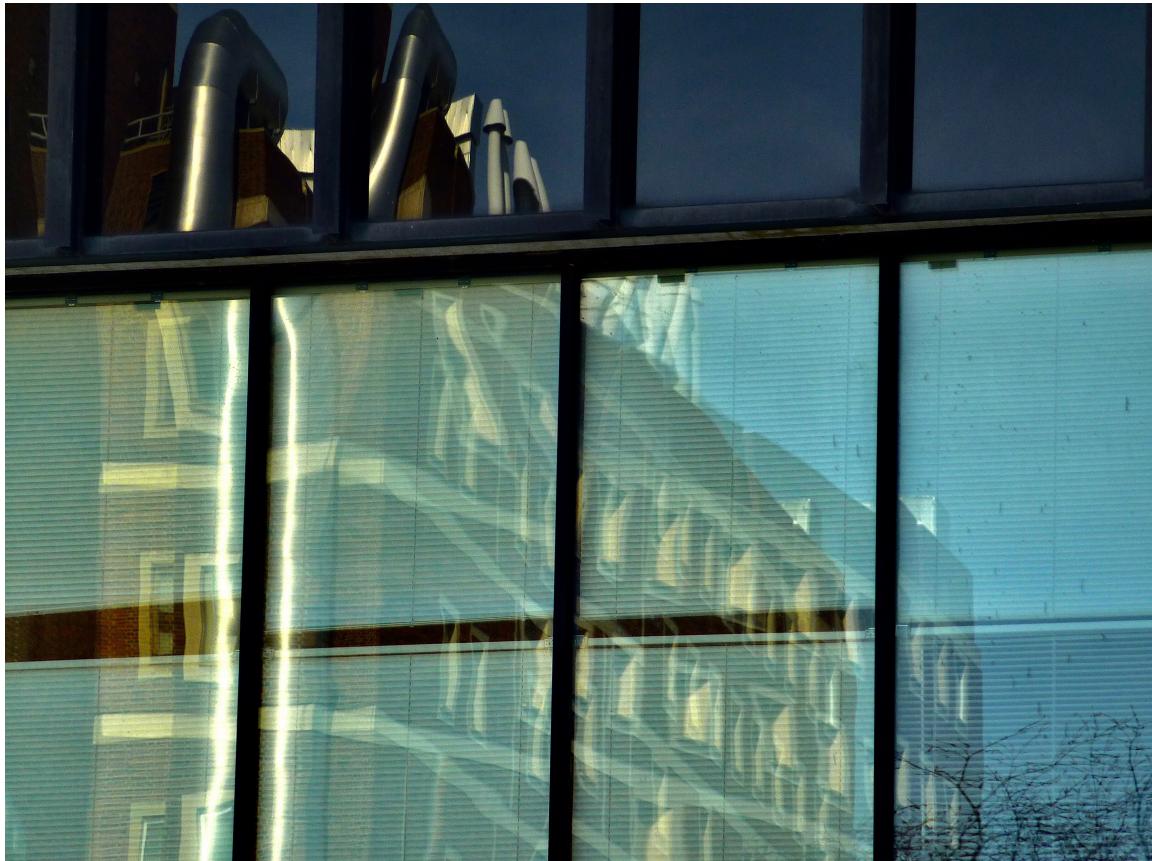

austerity measures

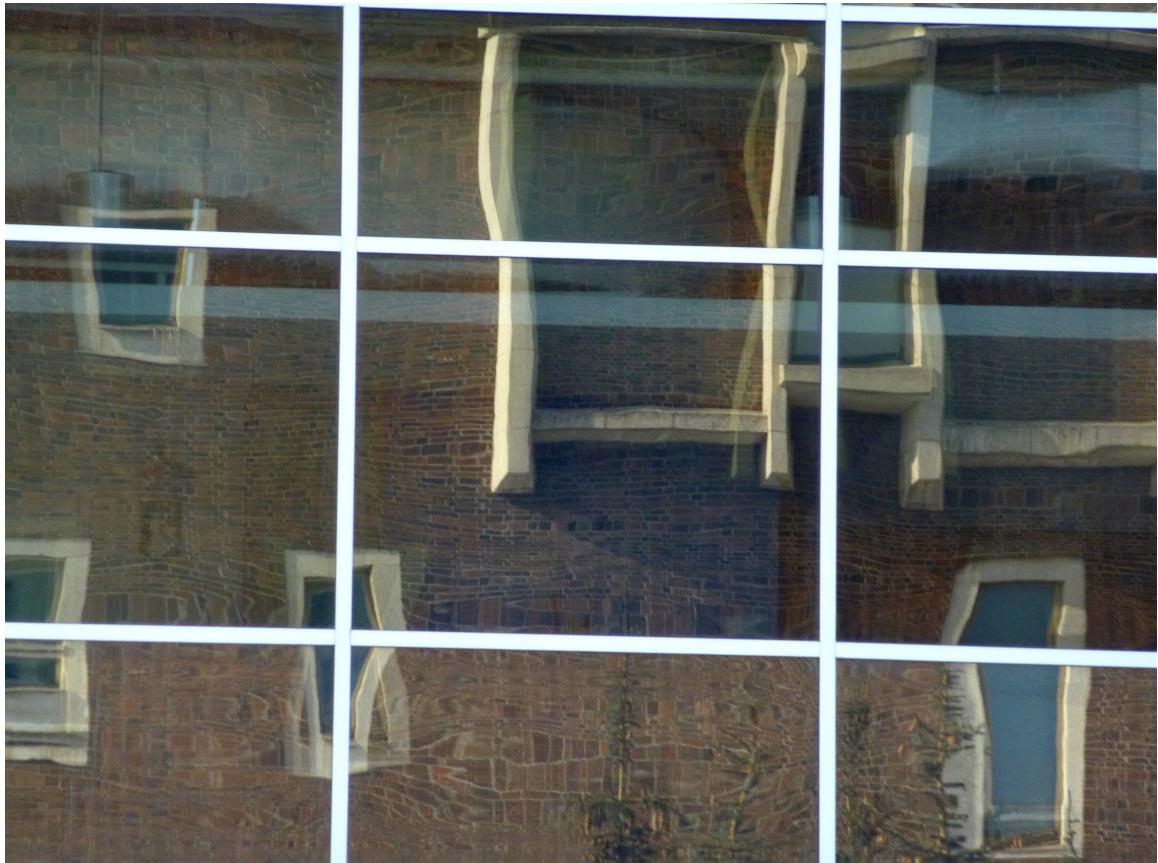

alienated behaviour of society

increasingly unattainable

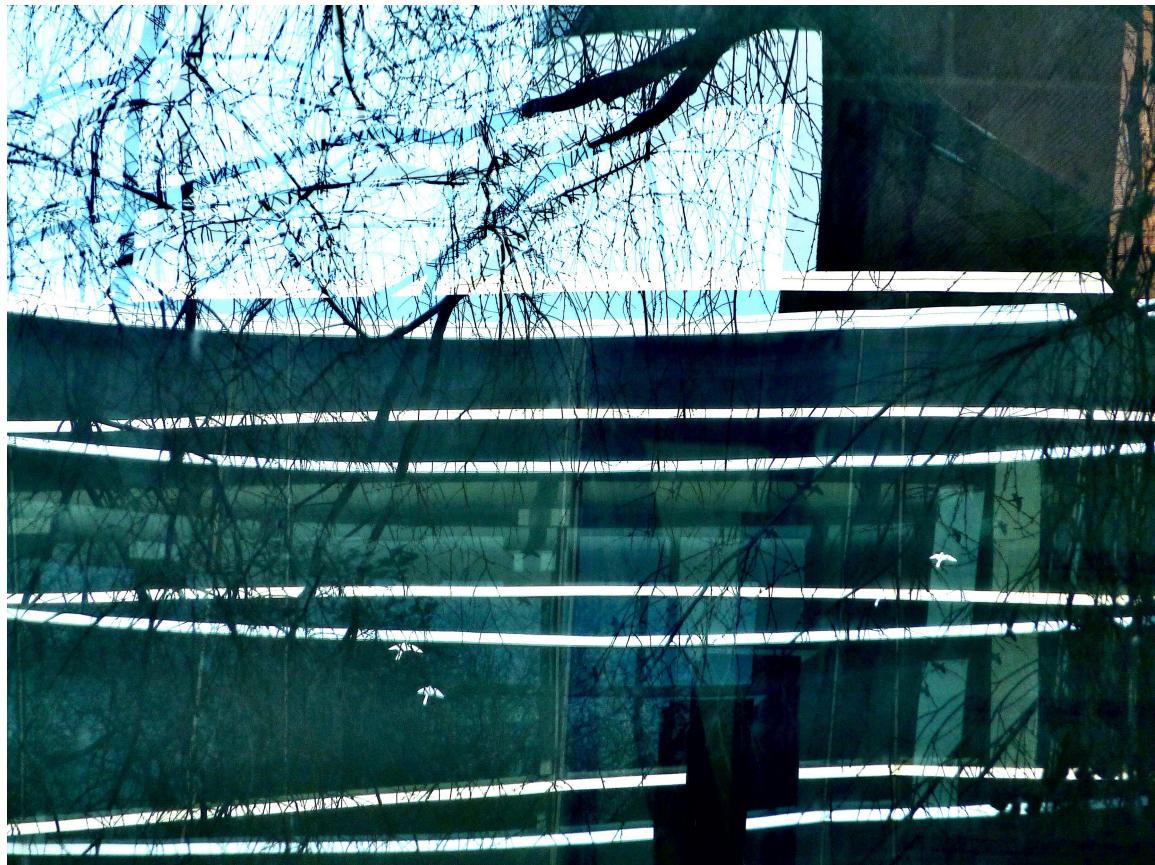

shifting into an uncertain future

oblique angles

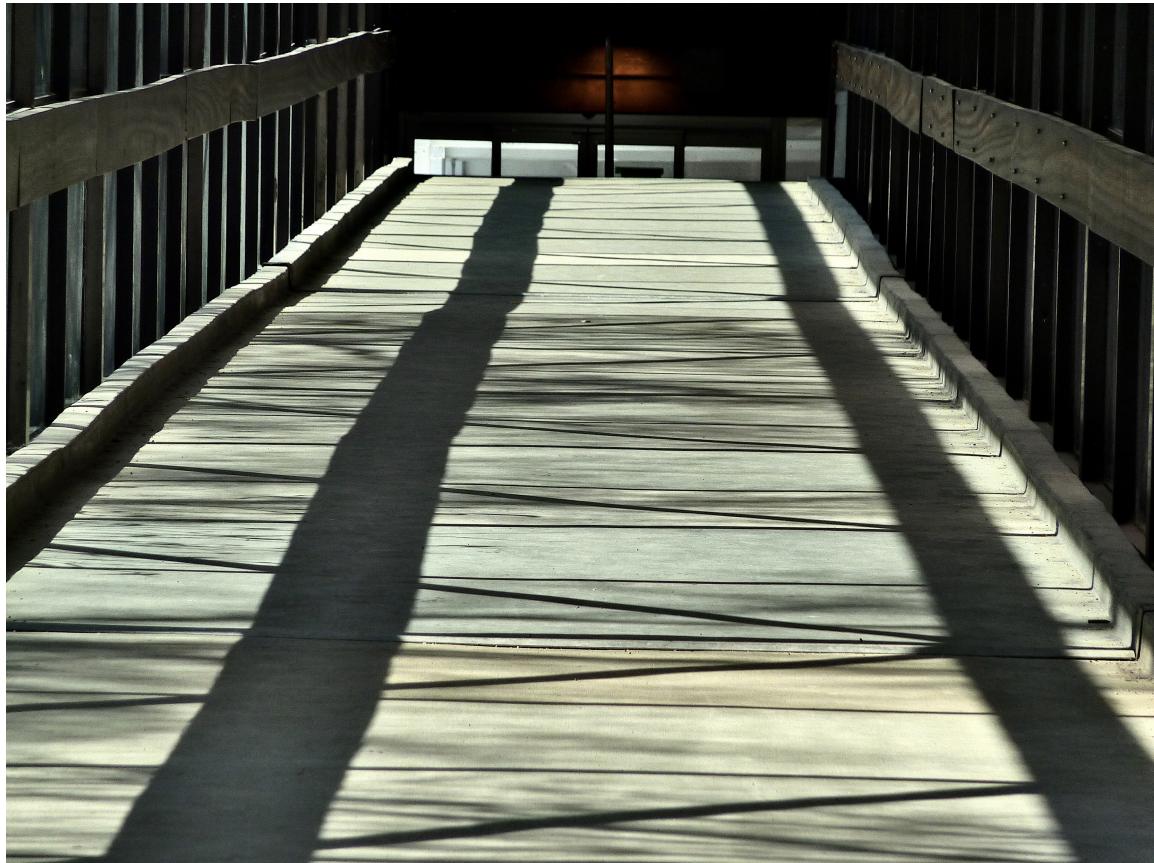

encounter between dream and experience

illuminated passages

tenuous pause

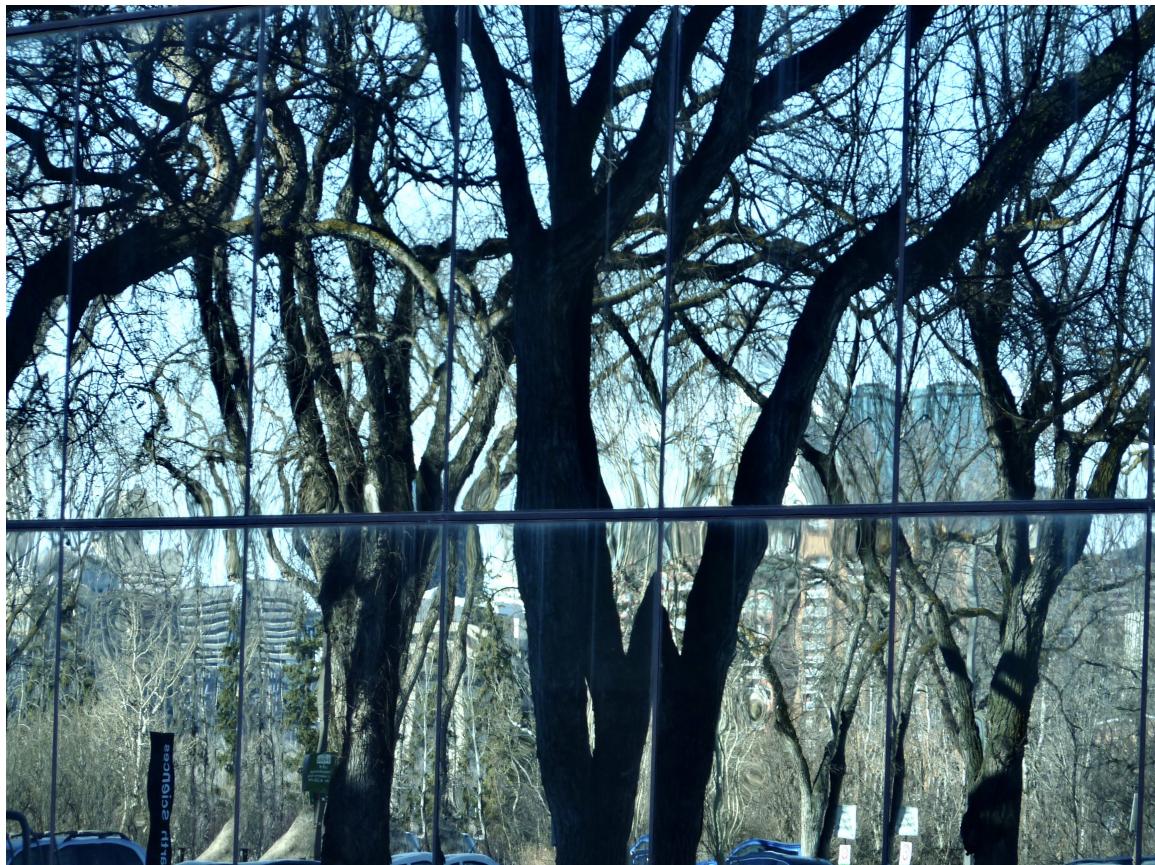

toward a rebirth of some sort

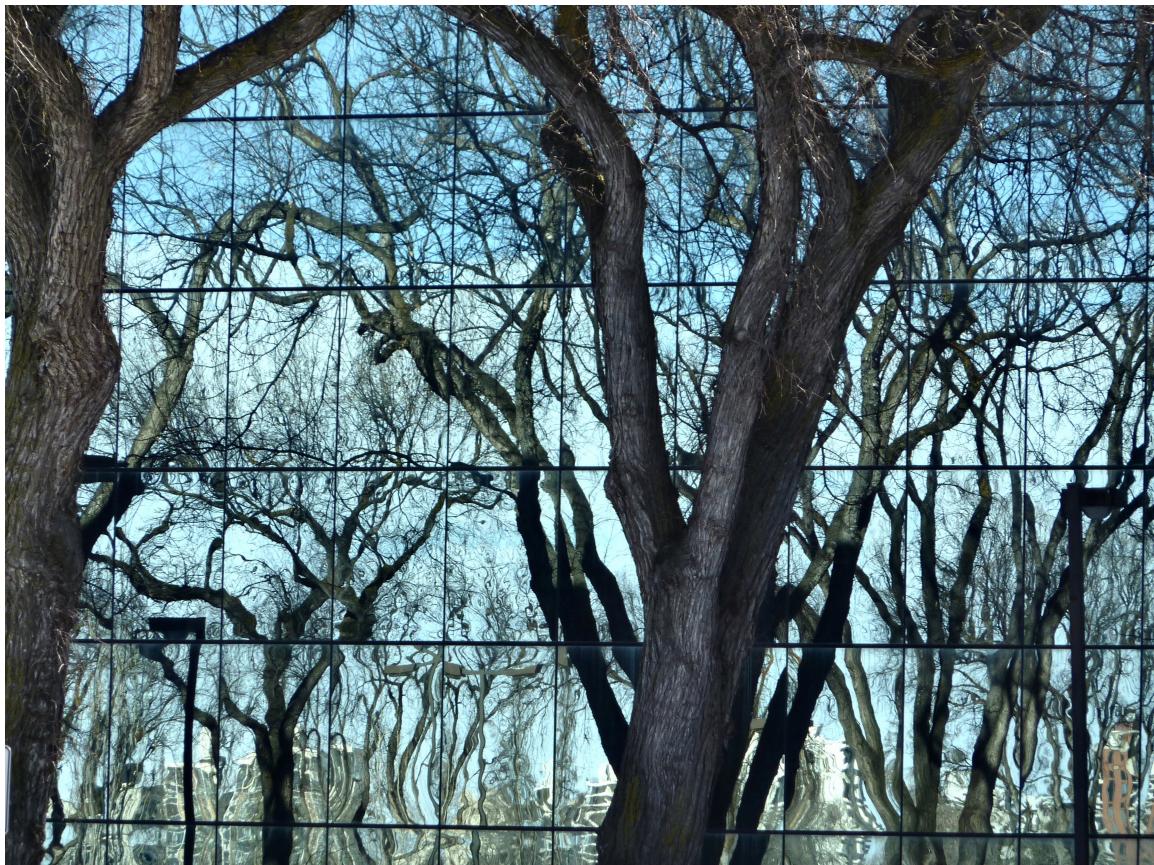

conclave

one dimension beyond me

secret unity in the world

coureurs de bois

uplifting

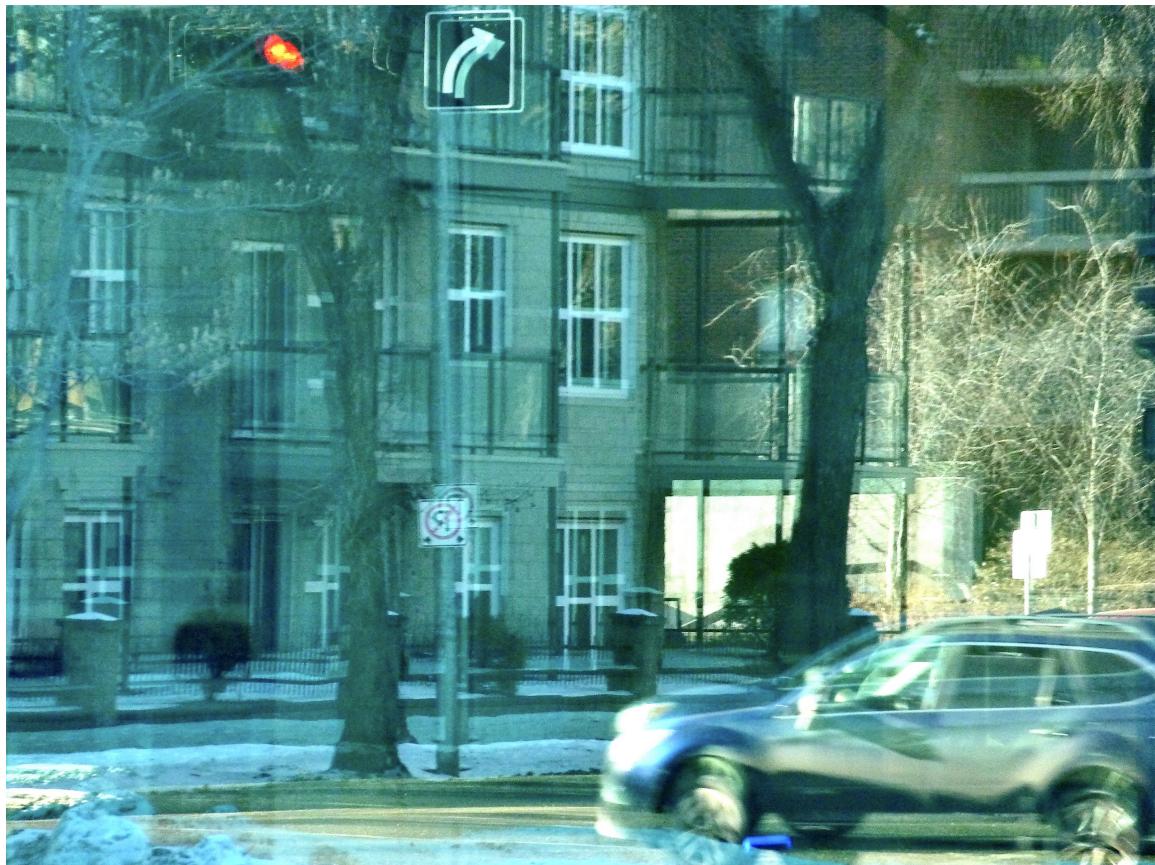

twisted plot sequence

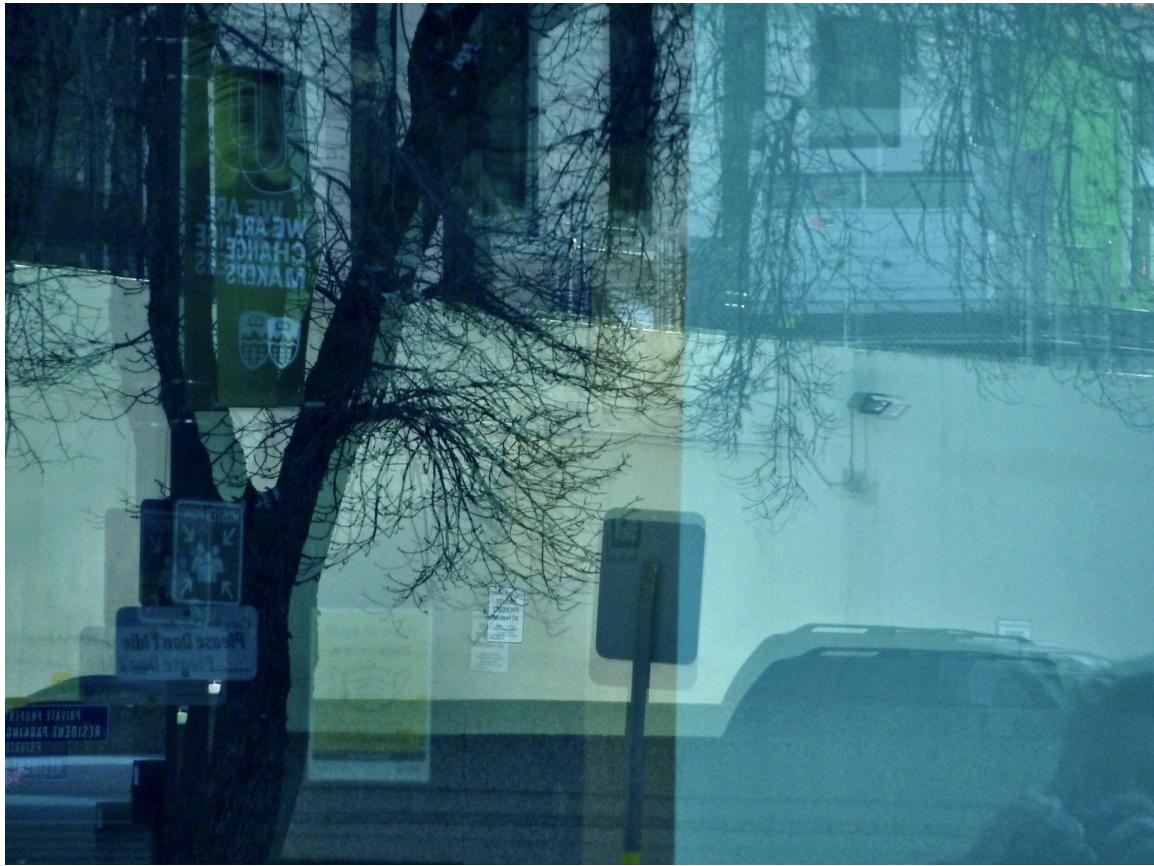

many incarnations

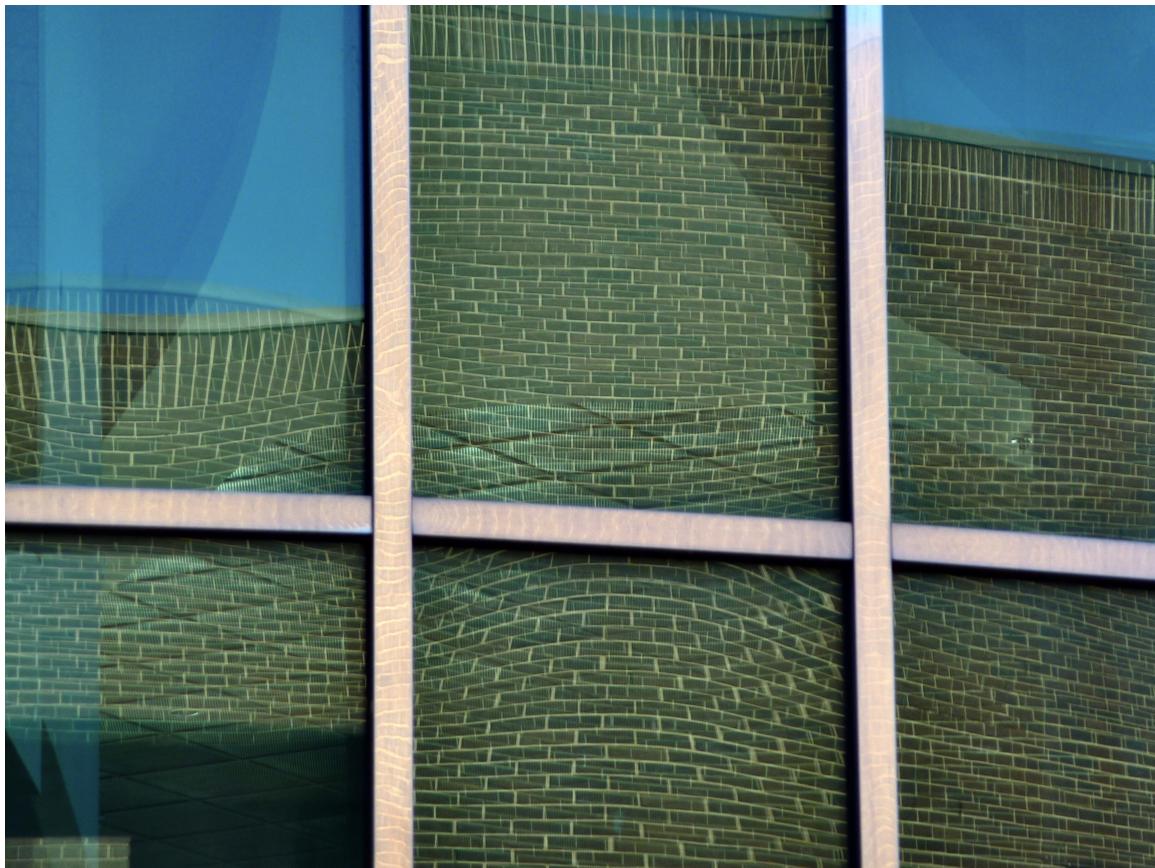

blueskying

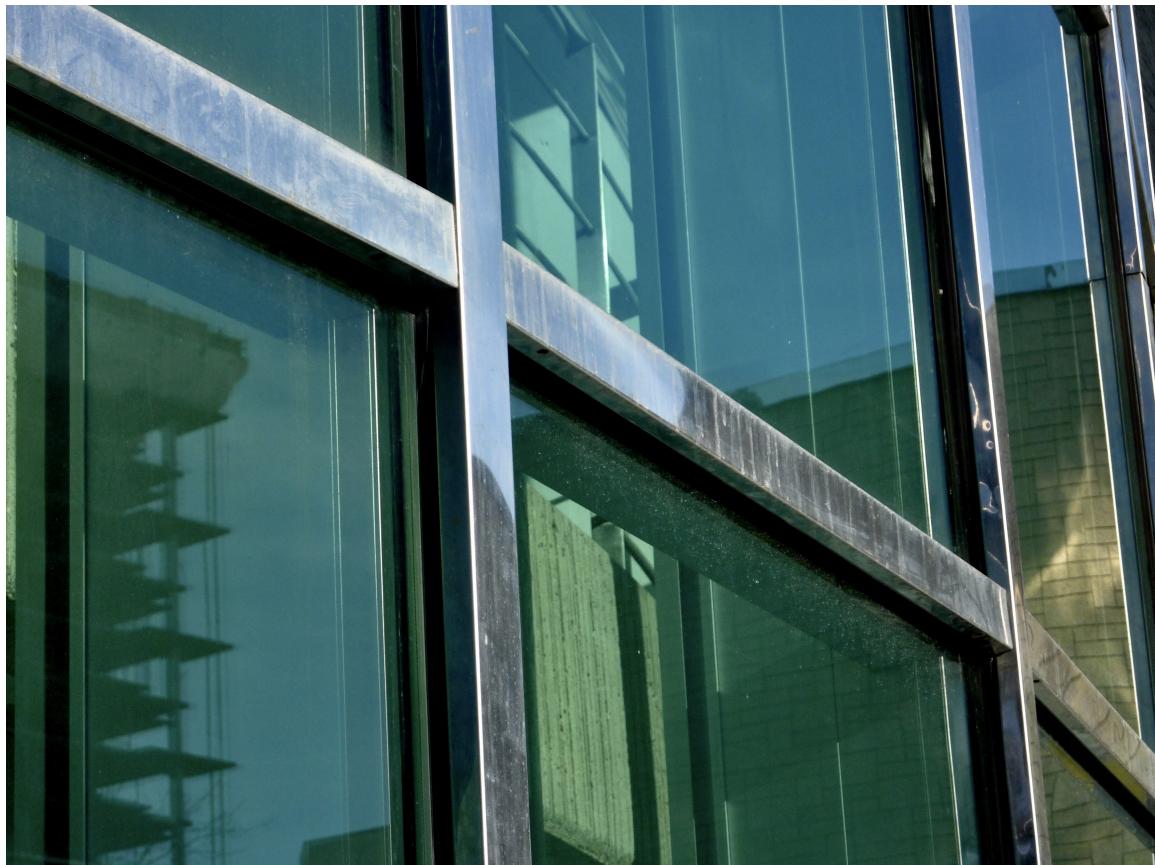

no right turn

muster point

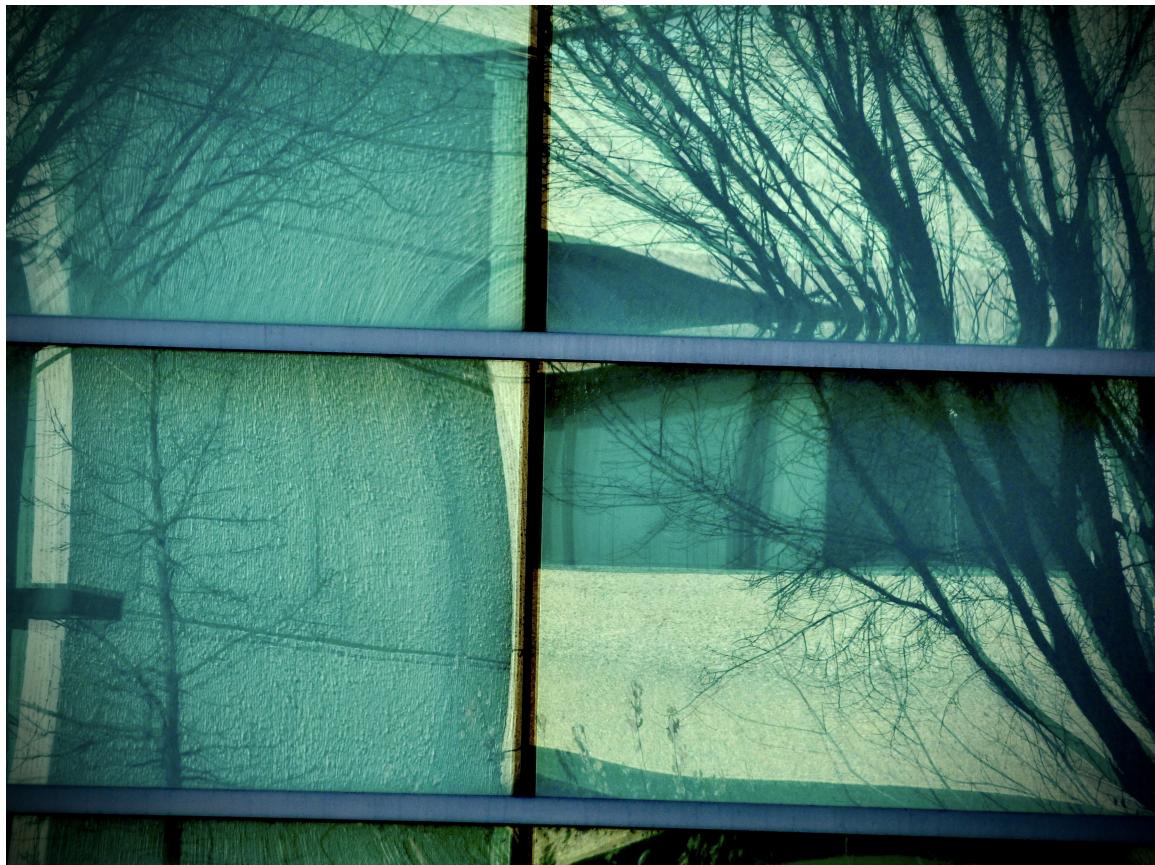

a work of artifice and lighting

continuing indefinitely

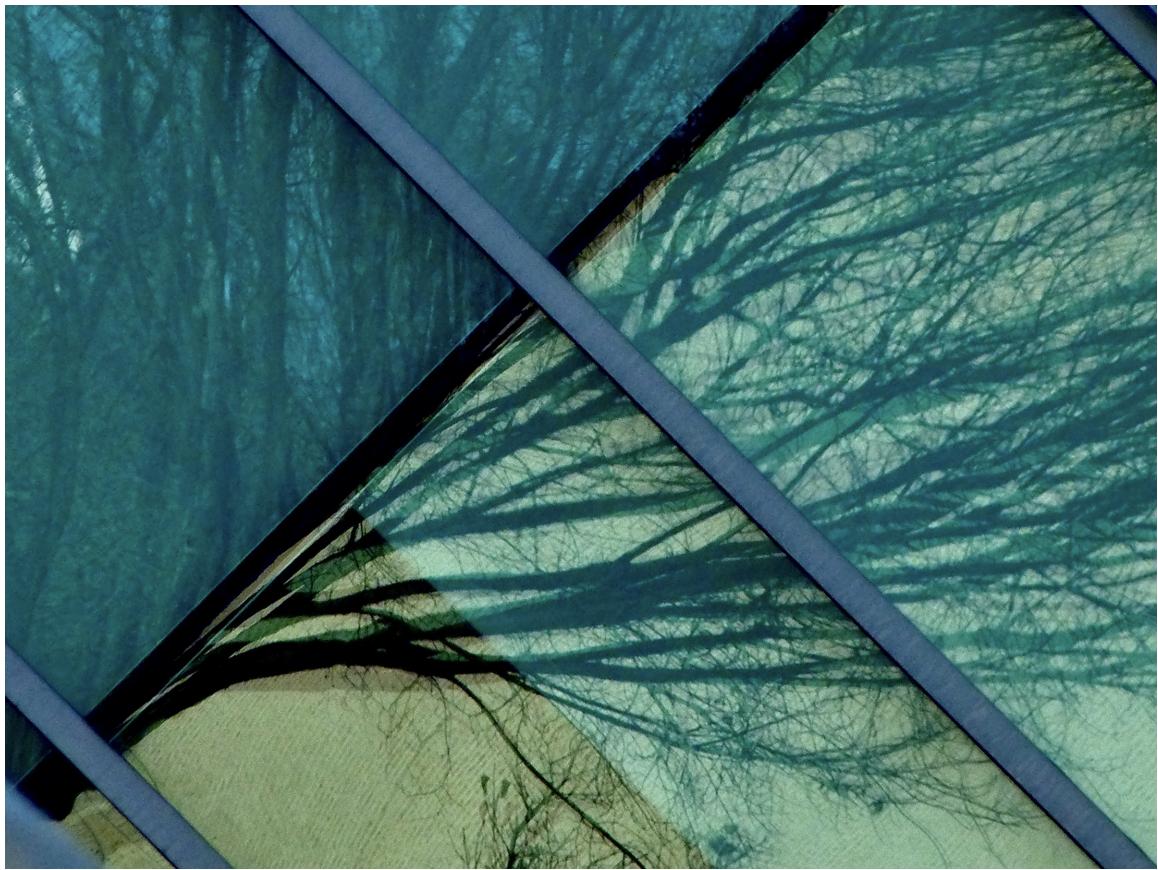

deep in the lost moments

leap into the unknown

an unsettling secret life

old haunts

tree magic

swept into light, a ritual

river's edge

unconsecrated land
